

# Tours of CCBDD's Adult Activities Centers

The Cuyahoga County Board of Developmental Disabilities (CCBDD) will be releasing a Request for Qualifications (RFQ) in January 2019 related to the privatization of its Adult Activities Centers. Through this competitive bid process, CCBDD will be seeking proposals from qualified, Ohio Department of Developmental Disabilities-certified providers of Adult Day Supports and/or Adult Day Supports and Vocational Habilitation services.

Current provider agencies of Adult Day Supports and/or Vocational Habilitation services which may have an interest in responding to the RFQ are invited to tour any of the Adult Activities Centers. See schedule below.

There will be a second opportunity to tour the Adult Activities Centers in February 2019. Details for this tour schedule will be stated in the RFQ.
