

Fall and Injury Prevention

Bureau of Workers' Compensation Safety Grant Information

October 13, 2017 9:00am - 3:30pm

This workshop will explore the role of the care provider in identifying risk factors for falls in individuals with developmental disabilities and give an overview of risk assessment tools and strategies to promote safe mobility/activity. There will be demonstrations of various types of equipment that can be used to transfer, lift and get individuals moving that mitigate the risk of injury to direct care staff and the individual. A representative from the Bureau of Workers' Compensation will talk about the availability of **Safety Grant funds** to purchase equipment and physical therapists will demonstrate how to use different lift equipment. Private vendors will showcase the types of equipment that are available.

TARGET AUDIENCE: Board of DD Staff, Private and Public Provider Staff
and Direct Care Program Administrators

**BWC Garfield Heights Office
4800 E. 131st Street
Cleveland, Ohio 44105**
