Subject: Medicaid Provider Fees

In order to become an eligible Medicaid provider, all provider agencies must pay an application fee for the purposes of Medicaid enrollment. This includes all agency providers under waiver programs administered by the Ohio Department of Developmental Disabilities. Effective April 1, 2014, the Ohio Department of Developmental Disabilities will begin to collect Medicaid application fees on behalf of the Ohio Department of Medicaid (ODM) in accordance with OAC 5160-1-17.8 and 42 CFR 455.460.

This fee is being assessed for agency applicants only. The fee, \$542.00, is sent directly to ODM, and is separate from the DODD application fee, which is collected under authority of Ohio Administrative Code 5123:2-2-01. Please note, any new agency applying for certification and enrollment will be charged two separate fees as part of their application process.

If you have specific questions pertaining to the policy regarding the provider enrollment fees collected as part of your application you can contact the Ohio Department of Medicaid, Provider Enrollment, at 1-800-922-3042. If you have questions about the Provider Certification process, you can contact the Ohio Department of Developmental Disabilities at 1-800-617-6733, option 3.

Thank you.
