Provider Selection

Individuals who receive services paid for with a Medicaid waiver may select any provider who is certified for and willing to provide the requested service.

- [Provider Selection Process and Free Choice of Provider](#)

Provider Search Tool

The Board of DD has developed a web-based [Provider Search Tool](#) (PST) that allows providers to search for referrals of consumers looking for services. The PST also enables consumers to search for certified providers by name, funding source and service certifications.

Need to Reach Someone?

Here's a [directory](#) with the names, assignments, phone numbers, email addresses and locations of all the staff in our Community & Medicaid Services Department. (You may want to enlarge the view on your screen. The type in this directory is small to accommodate the numerous items of info.)

Major Unusual Incidents

This resource assists providers in understanding major unusual incidents and the various activities and responsibilities that occur when one is reported.
