TOGETHER

with Cuyahoga DD Community Partners

Recreation, Arts & Culture and Library
Grant Winners

Dear Friend of Cuyahoga DD:

Our mission is to support and empower people with developmental disabilities to live, learn, work and play in the community. We believe that people with developmental disabilities should be able to access and fully participate in a community where they are welcomed, included and supported. We work to increase the number of accessible, adaptive and inclusive opportunities in Cuyahoga County.

We proudly partnered with recreation organizations, arts and culture organizations and libraries across the county to make their programs and their physical spaces inclusive of people of all abilities.

We are excited to share this catalog of programs that have met or are in the process of meeting Cuyahoga DD's ALL Means ALL standards for accessibility and inclusion. (See ALL means ALL standards inside.)

The organizations listed have received financial support from Cuyahoga DD and have shown a commitment to helping us make Cuyahoga County a more accessible and inclusive community. We look forward to seeing you out in the community taking advantage of these wonderful opportunities, TOGETHER!

Sincerely,

Amber C. Gibbs
Superintendent & CEO
