Done-in-a-Day Opportunities

Make a Difference

Cuyahoga DD partners with community organizations to increase access and inclusion for people with disabilities. Our staff and volunteers provide extra support at sensory-friendly performances at Playhouse Square or information and resources at fairs and festivals.

We also host many of our own special events for families we serve and advocacy and/or learning opportunities for adults with disabilities throughout the year.

Volunteer and help to make these events a success! Cuyahoga DD provides day-of-event training and orientation to make sure you have a great experience.
