

Family Supports Program

Recognizing the vital support families provide to people with developmental disabilities who live at home with them

The Family Supports Program is available to children and adults of all income levels eligible for Cuyahoga DD services living at home with a family member. (People who live on their own, who are enrolled on a Medicaid waiver, who live in an intermediate care facility/ICF or in foster care are not eligible.)

The Family Supports Program provides an annual allotment to purchase the items and services noted below (full year amount = \$750-\$1,500 per person).

Go to www.CuyahogaBDD.org (Family Supports Program) for the simple, one-page application and more details or call 216-736-2947.
