MAJOR MEDICAL PLANS

Cuyahoga DD's major medical plans are administered by Ohio Medical Mutual. Full-time employees have a choice of two plans – SuperMed and Skyway MetroHealth. Both plans include comprehensive prescription drug options. Both plans can cover the employee and eligible dependents. These plans have a low per-pay premium that is also noted in the linked summaries.

DENTAL INSURANCE

Cuyahoga DD's dental coverage is administered by Ohio AFSCME CARE Plan. This plan can cover the employee and eligible dependents. It is an open plan that allows you to choose your own dentist. However, employees may experience even greater savings by using a Dentemax provider. *There is NO premium that employees have to pay as the monthly premium is covered by the Employer.* The plan pays 100% of your annual diagnostic/preventive dental exams with no deductibles.

VISION INSURANCE

Cuyahoga DD's vision coverage is administered by Ohio Vision Service Plan (VSP). This plan can cover the employee and eligible dependents. There is no cost for the annual routine eye for you and your dependents. The plan covers all or part of the cost of eyeglasses and contacts once per year. *There is NO premium that employees have to pay as the monthly premium is covered by the Employer.*

FLEXIBLE SPENDING ACCOUNTS (FSA)

Cuyahoga DD provides full-time employees the opportunity to enroll in two IRS tax-favored flexible spending accounts – the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account. The Health Care Flexible account allows you to pay for eligible medical expenses on a pre-tax basis. Your account is pre-funded by the employer, giving you access at the beginning of the year. The maximum amount you can use annually is \$3,200.00. The Dependent Care Flexible account allows you to pay for eligible dependent care expenses on a pre-tax basis. The maximum amount you can use annually is \$5000.00.

LIFE INSURANCE

Life insurance provides a benefit to your beneficiaries in the event of your death. The Board provides all employees a generous basic life insurance plan through *One America* at no cost to the employee.

RETIREMENT PLAN - OPERS

All Cuyahoga DD employees must contribute to/participate in the Ohio Public Employees Retirement System (OPERS). Cuyahoga DD employees do not contribute to Social Security; however, all employees do contribute to Medicare. Retirement contribution rates are shared by employees and Cuyahoga DD and combined total 24% (Employee 10% and Employer 14%). There are two retirement plans to choose from: the Traditional Pension Plan and the Member-Directed Plan. You will be required to select your retirement plan within 180 days of beginning employment.

DEFERRED COMPENSATION

Deferred Compensation is a voluntary supplemental retirement program which provides for the deferral of a specified amount of your salary for long-term investment. You may contribute to one or both Section 457 plans: Ohio County Employees Retirement Plan (formerly CCAO) and Ohio Public Employees Deferred Compensation Program. You choose how much to allocate to your deferred compensation account. The amount you choose is deducted from each pay pre-tax.
