8. Comments from the Floor

Anne Cary, Speech Language Pathologist with Cuyahoga DD introduced Rosemary Musachio, an individual served that she works with. Rosemary said that she uses a board and pointer to communicate at home. She said that she needs an augmented communication device to socialize outside the home. Rosemary seeks assistance from a speech pathologist with the Cuyahoga County Board of Developmental Disabilities. The speech pathologist dedicates many hours to research options and to help her. The speech pathologist also has other clients. Thanks to Anne, Rosemary has a Tobii Dynovox which helps her to communicate with friends. Rosemary asked that the speech pathologists be provided with a fair contract so they can continue to assist clients.

Lauren Hagenbugh addressed the Board. She is a speech pathologist working with individuals with developmental disabilities. Her adult brother and daughter receive services from Cuyahoga DD. Lauren's brother needed to enter emergency respite care at a Board-owned home. She was very dissatisfied with the services her brother received and had serious concerns about his lack of hygiene care. Lauren's daughter is in Early Intervention and receives physical therapy from Cuyahoga DD staff. She is impressed with their services and asked for a fair contract for ACCESS members.

Anne Marie Trepanier spoke to the Board. She is a physical therapist who has worked for Cuyahoga DD for 23 years. She came to advocate on behalf of members of ACCESS. Ms. Trepanier informed the Board about their members and their roles. She discussed the bargaining process, the work environment, and staff wages. She stated that on February 16th, ACCESS members voted affirmatively to authorize a 10-day strike notice to Cuyahoga DD if necessary. Upcoming bargaining sessions are scheduled for March 3 and March 20.
